Dr. Christian J. Zebrasky D.C.

Most Insurances Accepted

We do not accept Title 19, or BadgerCare (including Forward and Secure Horizons).

Introducing, the **TurboSonic X7**- it is the latest technological advance in treatment of muscle strengthening , bone density building and postural awareness all of which are essential to complete spinal and extremity healing. The TurboSonic provides vibration force to tissue in a unique manner in where sound waves will penetrate muscle and force the body to respond by increasing muscle tone, bone growth and postural awareness. Olympians and Pro athletes use this technology to speed the healing process, and so can you.
